

SD&G BLAZERS Soccer Club 2007 Invitation

Tryouts/Conditioning/Speed & Agility Training/Skills Development

We hope you are interested in the SD&G Blazers Soccer program. Meetings and planning by the Coaching Staff and the Executive have been underway to ensure our teams have a competitive and enjoyable season playing in the ERSL again this season.

The Blazers are a traveling competitive arm of the KMSA. There are usually between 14 and 16 games played during the regular season. Half of the games are played at home. The away games are usually played in Ottawa and the surrounding area. Also, each team usually participates in three weekend tournaments per season. The tournament frequency and locations are left for discussion between the parents, players and coach of each team. There is one game and two practices per week during most of the season. Practices include conditioning, speed and agility training, skills development, balance, rules and regulations, keeper training, health and nutrition. Blazers players are recognized for their athletic ability and the Blazers Club provides players with the tools to develop their goals.

Indoor skill development, conditioning, and tryout sessions are now starting. This will give you an opportunity to tune-up your skills and meet members of the Blazers coaching staff. See the accompanying schedule for the allotted times for your age group. This schedule will also be published in the local papers of SD&G, and on the KMSA website. If you have friends who are interested in trying out or who want to improve their skills, please bring them along.

Please complete the registration form (reverse side) and bring it with you to the **FIRST SESSION**. There is a fee of \$35.00 to cover the costs of gym rentals, Dome time, and other tryout expenses. Please make your cheque to the KMSA Blazers. Attendance to the majority of tryouts is mandatory for those who wish to be considered for selection to a Blazers team. All parents/guardians of children under 18 years of age must sign the tryout registration form.
